When you lived your life for others
and you loved *without condition*

When you made so many laugh and your
smile won't be forgotten

When you left behind an empty place
that no one else can fill

When the friendships that you shared
long to be renewed

When you built your life on hope
and fulfilled it every day

The *footprints* that you left behind
will bring us face to face

So, *goodbye* is not forever,
You're only steps away.
