

Ronald Beck was born June 8, 1953 in Mayville, ND to Leroy and Delores Beck. He was the firstborn of three children. Ronald was confirmed at the Saint John Lutheran Church in Hatton, ND. Ronald graduated from Hatton High School in 1971. On June 16, 1974, Ron married Patti Marie Johnson at the First Baptist Church in Kenmare, ND. The couple resided in Grand Forks, ND during their college years and for several years after. The couple moved to Tioga and Ron started working at the Hess Corporation

Gas Plant. This union was blessed with four children and four grandkids.

At an early age he developed a love for the Lord and actively participated in his church. Ron was blessed with amazing vocals and musical talent as he sang in the choir, played guitar in a local high school garage band, and competed in various dancing competitions. Ron continued to collect and play guitars throughout his life. Ron was honored with a Pro Deo et Patria "For God & Country" award as a Boy Scout at his Lutheran Church. Ronald had an athletic spirit during high school and enjoyed playing basketball.

During his high school and college years, Ron loved his time working alongside his father Leroy in construction building homes, garages, quonsets, and lots of repair work. He also worked with his brother-in-law Chuck Whims in roofing contracts. Ronald continued with his constructing talents as he constructed and built his current home in Tioga. Ron always displayed a generous and serving heart toward others and he helped various friends in several building projects during his free time.

A major love in his life was working on and riding motorcycles. Over Ron's lifetime he owned 26 different motorcycles with his favorite one being a 1998 Valkyrie in which his son Jon Beck now cherishes.

Fellowship with friends and family was Ron's love and joy. You would often find Ron socializing with friends in local cafes, visiting the sick in the hospital, giving sound advice to those going through troubled times. One of his favorite fellowship activities involved the outdoors through camping and boating with family and friends. He loved sitting around the fire pit with family reminiscing about past moments in his life and others. He always faced life with intelligence, courage, humor, and wit. He loved to laugh and have fun with others.

Ron had a great appreciation for diversity in both travel and cuisine. He loved trying out various dinner venues and going on family trips. He traveled on many road trips, cruises, and adventures throughout his life in places such as California, Texas, North Carolina, Idaho, Washington, Alaska, and Hawaii.

Ron was a minister of the Word and was a man of great faith and conviction. Ron loved to study scripture and spoke at various churches for many years throughout ND for the Gideons Ministry. He was a church deacon and Sunday school teacher for many years. He guided many people during their spiritual journeys as a bible study leader and wise counsel.

In Loving Memory Of

Ronald Leroy Beck

June 8, 1953 - April 29, 2020

GOD saw you were getting tired
When a cure was not to be.
He closed his *Arms*
around you and whispered,
"Come To Me."

In tears we saw you sinking,
we watched you fade away.
Our *Hearts*
were almost broken,
you fought so hard to stay.
But when we saw you sleeping
so peacefully, free from pain,
we should not wish you back to suffer that again.
So treasure him, Lord, in your garden of rest.
For here on earth,
He Was The Best.
