

*"When I Must Leave You"*

*I must leave you  
for a little while  
For my sake and in my name  
Live on and do all things the same,  
Feed not your loneliness  
on empty days,  
But fill each waking hour  
in useful ways,  
Reach out your hand  
in comfort and in cheer  
And I in turn will comfort you  
and hold you near;  
And never, never  
be afraid to die,  
For I am waiting for you  
in the sky!*
