

*Loving Father*

*God took the strength of a mountain & the majesty of a tree.  
The warmth of a summer sun, the calm of a quiet sea.  
The generous soul of nature & the comforting arm of night.  
The wisdom of the ages and the power of the eagle's flight,  
The joy of a morning in spring & the faith of a mustard seed,  
The patience of eternity & the depth of a family need,  
Then God combined these qualities,  
When there was nothing more to add,  
He knew His masterpiece was complete,  
And so, He called it... 'Dad'!*

**Nathan W. Holte**  
March 6, 1966 - April 8, 2021

When I come to the end of the day  
And the sun has set for me  
I want no rites in a gloom-filled room.

Why cry for a  
*soul set free?*

Miss me a little, but not too long  
And not with your head bowed low.

Remember the love we once shared-  
Miss me, but let me go.

For this is a journey we all must take  
And each must go alone.

It's all a part of the Maker's plan,  
A step on the road to **HOME**.

When you are lonely and sick at heart  
Go to the friends we know, & bury your sorrows  
In doing good deeds-

*Miss me,* but let me go.
