

Don't think of her as gone away -
her **JOURNEY'S JUST BEGUN**,
life holds so many facets -
this earth is only one.

Just think of her as resting
from the sorrows and the tears
in a place of *warmth*
AND COMFORT
where there are no days and years.

Think how she must be wishing
that we could know today
how nothing but our sadness
can really pass away.

In the *Hearts* of those she touched
For nothing loved is ever lost -
And she was loved so much.
