

I'd like the memory of me

To be a happy one,

I'd like to leave

an afterglow of

smiles

when life is done.

I'd like to leave an echo

Whispering softly down the ways,

Of happy times and laughing times

And bright & sunny days.

I'd like the tears of those who grieve,

To dry before the sun

Of *happy memories*

that I leave behind

When life is done.
