Curtis Gilbert Basiak

April 23, 1946 ~ October 16, 2021

Don't think of him as gone away -
his JOURNEY'S JUST BEGUN,
life holds so many facets -
this earth is only one.

Just think of him as resting
from the sorrows and the tears
in a place of *warmth*
AND COMFORT
where there are no days and years.

Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.

In the *Hearts* And think of him as living
of those he touched
For nothing loved is ever lost -
And he was loved so much.
