

When you lived your life for others
and you loved *without condition*
When you made so many laugh and your
smile won't be forgotten
When you left behind an empty place
that no one else can fill
When the friendships that you shared
long to be renewed
When you built your life on hope
and fulfilled it every day
The *footprints* that you left behind
will bring us face to face
So, *goodbye* is not forever,
You're only steps away.

When your loved one
becomes a
Memory,
Every memory
becomes a
Treasure.

Blowing Kisses

I blow your kisses to the sky
And off to you I let them fly
Each one a wish I wrap in love
Then send to you so high above
I feel you watching as I do
And know you hear each
"I Love You"
So every day I'll send them high
These Kisses I blow to the sky.

Forever in our Hearts
