GOODBYES
are not forever
goodbyes are not
THE END
they simply mean
I'll miss you
till we meet
AGAIN

*Don't think of her as gone away
her journey's just begun,
life holds so many facets
this earth is only one.*

*Just think of her as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how she must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of her as living
in the hearts of those she touched...
for nothing loved is ever lost
and she was loved so much.*
