*It broke our hearts to lose you,
But you didn't go alone.
Part of us went with you,
The day God took you home.*

*A million times we've missed you,
A million times we've cried.
If love could have saved you,
You never would have died.*

*Now to the grave we travel,
The flowers placed with care,
No one knows the heartache,
As we turn to leave you there.*

*If tears could build a stairway,
And heartache could make a lane,
We'd walk a path to heaven,
And bring you back home again.*

Robert "Bob" Hanson was called to his heavenly home on Monday, September 1st, 2025 - Labor Day. Bob was born in Williston, ND on May 11, 1949 to Obert and Verna (Huwe) Hanson.

He attended school in Williston, ND. After school, Bob held a variety of jobs over the years. He worked at Arlos pumping gas, and spent time at a meatpacking plant. He also worked alongside his mom at the Westland Café, drove truck for Keith Green, sold cars, and eventually found his way into the oilfield. There, he worked for companies including Bomac, Oilind Safety, and GL Trucking.

Bob was married in 1967 to Monica Marquardt, and from that union came two children: Tami, born in 1968, and Tina, born five years later in 1973. After 19 years of marriage, Bob and Monica divorced.

Later in life, Bob met Terri Gwen and welcomed a bonus son, Aaron, into his life. Bob and Terri were married for 20 years before parting ways. In his later years, Bob found companionship with his special friend, Alene Farber.

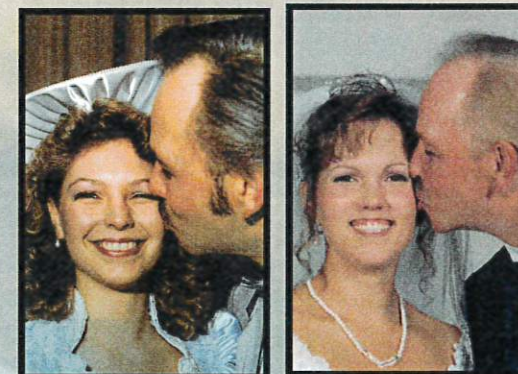

A true jack of all trades, Bob was skilled in carpentry, tape and texture work, mechanics, and electrical work. He loved to tinker and was known for being an absolute perfectionist in everything he did.

Bob's greatest passion was the outdoors—especially hunting and fishing. One of his most memorable adventures was a trip to Montana, where he successfully hunted a bear. His favorite place to be, though, was fishing on Lake Sakakawea, where he spent countless hours doing what he loved most.

He lived in the same home for over 50 years — a place filled with memories, laughter, and the roar of engines. Known for his love of the open road and the great outdoors, Bob had a lifelong passion for motorcycles, snowmobiles, and vintage cars. He was a regular at the Moose Lodge, taking friends there 6 days a week for years.

Rest In Peace, Dad — Until We See You Again
