

## *All Things Bright and Beautiful*

By Cecil Frances Alexander

*All things bright and beautiful,  
All creatures great and small,  
All things wise and wonderful,  
The Lord God made them all.*

*Each little flower that opens,  
Each little bird that sings,  
He made their glowing colors,  
He made their tiny wings.*

*The rich man in his castle,  
The poor man at his gate,  
God made them high and lowly,  
And ordered their estate.*

*The purple headed mountain,  
The river running by,  
The sunset and the morning,  
That brightens up the sky;*

*The cold wind in the winter,  
The pleasant summer sun,  
The ripe fruits in the garden,  
He made them every one.*

*The tall trees in the greenwood,  
The meadows where we play,  
The rushes by the water,  
We gather every day;*

*He gave us eyes to see them,  
And lips that we might tell  
How great is God Almighty,  
Who hath made all things well.*
